

# Soilworker's Song Of The Damned

## Soilwork

Postironic, we laugh dream in sonic, diamond overload  
Drenched in fear by struck of lightning  
'Cause we're only listening with one ear now  
This organism rips us apart, it feasts on us Song of the damned never ends, so don't pretend  
We are condemned where we stand, where we stand This machine creates what in some people's mouth  
Is called art, too hard to comprehend  
Too hard but will not bend, we will not bend So why are we trusting those cynical souls?  
Bleeding, aching, bleeding, aching-bleeding  
With hearts open wide all so cold, live for the moment  
Get killed for the thrill, bleeding, aching, bleeding, aching  
Bleeding for nothing, for we've seen it all Fast and furious we're riding with serpent speed  
Through the essence, through the greed  
Forcing ourselves to overcome this mystery  
This restless degradation, temptation and our endless lust  
Will bring us down, will bring us deeper down So why are we trusting those cynical souls?  
Bleeding, aching, bleeding, aching-bleeding  
With hearts open wide all so cold, live for the moment  
Get killed for the thrill, bleeding, aching, bleeding, aching  
Bleeding for nothing, for we've seen it all Postironic, we laugh dream in sonic, diamond overload  
Drenched in fear by struck of lightning  
'Cause we're only listening with one ear now  
This organism rips us apart, it feasts on us Song of the damned, never ends, so stop pretend  
We are condemned where we stand, where we stand  
Song of the damned, never ends, so stop pretend  
We are condemned where we stand, where we stand Song of the damned, never ends, so stop pretend  
We are condemned where we stand, where we stand  
Song of the damned, never ends, so stop pretend  
We are condemned where we stand, where we stand Song of the damned, never ends, so stop pretend  
We are condemned where we stand, where we stand  
Song of the damned, never ends, so stop pretend  
We are condemned where we stand, where we stand
