Livin' On the Fault Line

[The Doobie Brothers](#)

Patrick simmonsUnderneath us all
There's a world that we always forget 'til it moves us
Where the moon on the bay dances all alone
Ramone, he draw the razor swift, it slice the air
No more lovely dreams of those summer nights
Down in santo domingo
They laugh and play in the sleepy harbor town
So unaware of the danger that's aroundLivin' on the fault line
Livin' on the fault line
Livin' on the fault line
Livin' on the fault lineNo one can run when it finally comes down
Nobody knows what is stirrin' underground
Caruso stumbled
While the city tumbled down
The palace was in splinters
Theodore was leaving town
