Astronauts and All

Foalsä€„

Hey, I hear the future birds
It's called spaceships, astronauts and all
Let's trade all these types of things for wingsHey, I hear the future birds
It's called spaceships, astronauts and all
Let's trade all these types of things for wingsMake it happen, boys and girls
Make it happen, boys and girls
Make it happen, boys and girls
Make it happen, boys and girlsMake it happen, boys and girls
Make it happen, boys and girlsHey, I hear the future birds
It's called spaceships, astronauts and all
Let's trade all these types of things for wingsHey, I hear the future birds
It's called spaceships, astronauts and all
Let's trade all these types of things for wings
