

# Have Yourself A Merry Little Christmas

[3lw](#)

Have yourself a merry little Christmas  
Let your heart be light  
From now on our troubles will be out of sight  
Have yourself a merry little Christmas  
Make your Yuletide gay  
From now on our troubles will be miles away  
Here we are as in olden days  
Happy golden days are yours  
Faithful friends who are dear to us

Gather near to us once more  
Through the years we'll all be together  
If the fates allow  
Hang a shining star above the highest bow  
And have yourself a merry little Christmas now  
Yeah and have yourself a merry little Christmas now  
Baby, now, now, now  
Now yeah, now
