

# If You Wanna

## The Abba Tribute Band

Well, I don't wanna wake up in the morning  
But I've got to face the day  
That's what all the friends  
I do not like as much as you say I don't wanna do things independently  
But I can't make you stay  
That's what all the friends  
I do not like as much as you say But if you wanna come back it's alright, it's alright  
It's alright if you wanna come back  
Do you wanna come back? It's alright, it's alright  
It's alright if you wanna come back to me Well, I don't wanna see you with another guy  
But the fact is that I may  
That's what all the friends  
I do not like as much as you say Give it just another couple months or so  
Then you'll be okay  
That's what all the friends  
I do not like as much as you say Alone, all alone  
I am on my own  
Alone, all alone  
I, I'm on my own But if you wanna come back it's alright, it's alright  
It's alright if you wanna come back  
Do you wanna come back? It's alright, it's alright  
It's alright if you wanna come back to me Do you wanna come back? It's alright, it's alright  
It's alright if you wanna come back  
Do you wanna come back? It's alright, it's alright  
It's alright if you wanna come back Do you wanna come back? It's alright, it's alright  
It's alright if you wanna come back to me  
Do you wanna come back? It's alright, it's alright  
It's alright if you wanna come back to me
