Blame It On Me

Aaron Watson

Your standing there, that look in your eye
Your looking for good ways to tell me goodbye
Something about people how they never know
Theyre loving somebody then letting them go
Your looking for reasons there aint no need
You can blame it on me.Chorus:
You can blame it on me. I was the one
Acting like real life was some old love song
I held you too close; I couldnt let go
You cant loose your cool these days I know
So Ill go on home and you can feel free
You can blame it on meWell I am too rough; I work too hard
Ive got no cool friends, driving ol cars
Im not the picture of anyones dreams
Im full of bluebonnets, boots and old Jeans
Your looking for reasons -
There aint no need; you can blame it on me.ChorusWhen you start looking
For ways outta love
Then Ive been making mistakes by the dozen
So if you wanna leave
You can blame it on meI held you too close; I couldnt let go
You cant loose your cool these days I know
So Ill go on home and you can feel free
To blame it on me.All on MeYou can blame it on me
