

If I Gave (A Confession of Hope)

Shai

Ooh, ooh, if I, if I gave
Gave u my heart
And my soul to you
Oh, then I, I would have
Nothing to give Let you've given me
So I pray to you Lord
That you'll understand
For you supply all my needs Mm, mm, and if I, if I gave
Gave you the trust
And my mind to choose
Then I, I would have
Nothing to fear Just to believe in ourselves
It will guide us to victory
