

# Jesus Be a Fence Around Me

## The Soul Stirrers

I wonder is there anybody here  
Who late at midnight shed right a tear  
All because you didn't have no one  
To help you along the way?  
Oh Lord!  
And if there is anyone  
Let me tell you what I've done:  
I've asked Jesus to be a fence around me  
And protect me every day.  
I told him:  
Jesus be a fence all around me every day.  
When I get burdened, Jesus,  
I want you to protect me  
As I travel on the way. Sometimes it will hurt you to your heart  
To see loved ones who depart,  
But oh children,  
Death is no stranger to anyone.  
And oh Lord...  
But just as long as you stay in the fold,  
You never have to worry  
When Death knock on your door.  
Just ask Jesus to be a fence around you,  
And you never have to worry anymore.  
Just bow down!  
Jesus be a fence all around me every day  
When you get burdened -  
Jesus, I want you to protect me  
As I travel on the way.  
When you get lonely -  
Jesus be a fence all around me every day  
Jesus, protect me  
As I travel on my way.
