Again (Ft. Natasha Bedingfield

Bruno Mars

Hands over my head thinking
What else could go wrong
Would've stayed in bed
How could a day be so long?Never believe that things
Happen for a reason
But how this turned out
Removed all my doubt so believeThat for you I'd do it all over again
Do it all over again
All I went through led me to you
So I'd do it all over again for youI missed the first train stood out
In the rain all day
(Little did I know)
But I caught the next train
And there you were to sweep me away
Guess that's what I waited forNever believed that things
Happen for a reason
But how this turned out
Removed all my doubtSo believe that for you
I'd do it all over again, do it all over again
All I went through led me to you
So I'd do it all over againOh, who ever thought a day gone
So wrong could turn out so lovely
Yeah, I'm so glad I found you
Even though the day went so wrong
I wouldn't change a thingYeah, yeah, I'ma do it
Do it all over again
Do it all over again
All I went through led me to you
So I'd do it all over againDo it all over again, I'd do it all over again
I'd do all over again for you
All I went through led me to you
So I'd do it all over again for youWhoever thought a day gone so wrong
Could turn out so lovely
Whoever thought a day gone so wrong
Could turn out so lovely
