

# You Are Nothing

## Daywalker

You allude to every negative there was  
Makin' out that's all we had  
Couldn't you believe that there would be an end to it?  
All the good could not be that bad There is just one thing to say  
There's a lesson here to learn  
Can you use it in any way?  
You are nothing without my love Couldn't care if you decide today and run away  
Always said, "We'd be apart"  
Wouldn't care if you begin your life with someone else  
You'd be back before you start There is just one thing to say  
There's a lesson here to learn  
Can you use it in any way?  
You're nothing without  
You are nothing without  
You are nothing without my love Laissez faire approach is all you ever gave to me  
Either way you didn't care  
Maybe if you had the honesty you need to see  
I'll wager everything you wouldn't dare There is just one thing to say  
There's a lesson here to learn  
Can you use it in any way?  
You are nothing without  
You are nothing without  
You are nothing without my love You are nothing without  
You are nothing without  
You are nothing without my love
