

# Let's Go To War

## Murderdolls

I'm the motherfucking wrench thrown in the gears  
Everything was great 'til I got here  
And I'm a bad guy inside and out  
Put your faith in me and I'll spit it out And I admit I'm a basket case  
With lipstick smeared across my face  
Cocked and loaded, can't shut me up  
Blame it on the music to cover it up Hey stupid don't suck your thumb  
Take your diaper off and put your helmet on  
Destroy 'til there is no more  
Put your helmet on, lets go to war  
Let's go, let's go, let's go, let's go Some things are better left unsaid  
But I'd like to see a bullet in your head  
Charge the damage to my card  
And I'll see you on the graveyard boulevard Have a boot to the face, it's on me  
Hard to talk shit with no fucking teeth  
Spit 'em out, spit 'em out all in a row  
So pucker up sucker, here's one for the road Hey stupid don't suck your thumb  
Take your diaper off and put your helmet on  
Destroy 'til there is no more  
Put your helmet on, lets go to war  
Let's go Shut your face and open your eyes  
Your whole fucking life was a lie  
And everything that you stood for  
Just had it's ass kicked out the door I am rubber and you are glue  
I'll beat the motherfucking shit out of you  
You're pro-life and I'm pro-death  
And I'll throw you from the tree and break your fucking neck Hey stupid don't suck your thumb  
Take your diaper off and put your helmet on  
Destroy 'til there is no more  
Put your helmet on, lets go to war  
Let's go, let's go, let's go, let's go, let's fucking go
