Always Getting Over You

Angela Ammons

Do do do do do
Do do do do
Do do do do doDo do do do do
Do do do do
Do do do do doWas I not enough stimulation
Hit by a brake the other day
Just when I thought that I'm okay
You didn't like my conversationI can't come up with something new
It doesn't really matter what I do
So here's my observation
You could never see it through my eyes
And I'm too tired to trySo don't call and say your coming back for me
Don't mean nothing
I'm always getting over you
And don't lie and say your over me
Don't mean nothing
I'm always getting over youDo do do do
Do do do do doWas it too much aggravation
Your telling me the way that I won't see
And then I change my mind you disagree
I used to be our inspiration
You chase your mind you disappear
And I know it's never overSo don't call and say your coming back for me
Don't mean nothing
I'm always getting over you
And don't lie and say your over me
Don't mean nothing
I'm always getting over youDo do do do
Do do do do doDo do do do do
Do do do do
Do do do do doWas I not enough stimulation
Hit by a brake the other day
Just when I thought that I'm okay
You didn't like my conversation
And I can't come up with something new
It doesn't really matter what I doSo don't call and say your coming back for me
Don't mean nothing
I'm always getting over you
And don't lie and say your over me

Don't mean nothing
I'm always getting over youDo do do do do
Do do do do
Do do do do doSo don't call and say your coming back for me
Don't mean nothing
I'm always getting over you
And don't lie and say your over me
Don't mean nothing
I'm always getting over youSo don't call and say your coming back for me
I'm always getting over you
