

# Sweet Illusions

## Ryan Adams & The Cardinals

Let me go I'm only letting you down  
I got nothing to say to you now  
Lose the feelings that are weighing me down  
Is what I'm saying  
It's turning morning all the birds are singing  
I'm not complicating anything  
I'll have another then I'll go to bed  
But I'll dream of you  
'Cause it's almost over  
And it's almost gone  
But I can feel the sweet illusion comin'  
Sweet confusion oh yeah  
Sweet Illusion comin' now  
I ain't got nothing but love for you now  
You and I used to shine like a jewel  
Time's been nothing to us but cruel  
So play it out and never play the fool  
'Cause you'll lose everytime  
We were nothing, we hoped we were best  
Hard times like that don't last  
I've been forgiven, I have been surpassed  
By my heart... have you?  
Cuz it's almost over  
Yeah it's almost gone  
And I can feel the sweet illusion comin'  
Sweet confusion  
Oh sweet illusion coming down  
And I ain't got nothing but love for you  
Love for you  
I can't use lonely nights more to bide by the rules  
But I can resolve  
You never knew me but I did my best  
I'm just lonely inside, I guess  
You gave everything, you really tried  
Thanks  
If we were nothing then it only appears to be  
I'm just living in a dream I guess  
A long black dream that takes me down the river to you  
Well it's almost over

And we're almost gone  
And I can feel the sweet illusion comin'  
Sweet confusion  
Oh yeah sweet illusion coming down  
Well I can feel the sweet illusion comin'  
Sweet confusion  
Oh yeah sweet illusion coming down  
And I ain't got nothing but love for you now
