

Resistance (TiD»sto Remix)

Muse

Is our secret safe tonight
And are we out of sight
Or will our world come tumbling down?
Will they find our hiding place
Is this our last embrace
Or will the walls start caving in?(It could be wrong, could be wrong) But it should have been right
(It could be wrong, could be wrong) To let our hearts ignite
(It could be wrong, could be wrong) Are we digging a hole?
(It could be wrong, could be wrong) This is out of control(It could be wrong, could be wrong) It could never last
(It could be wrong, could be wrong) Must erase it fast
(It could be wrong, could be wrong) But it could have been right
(It could be wrong, could be...)
Love is our resistance
They'll keep us apart and they won't stop breaking us down
Hold me
Our lips must always be sealedIf we live a life in fear
I'll wait a thousand years
Just to see you smile againKill your prayers for love and peace
You'll wake the thought police
We can't hide the truth inside(It could be wrong, could be wrong) But it should have been right
(It could be wrong, could be wrong) To let our hearts ignite
(It could be wrong, could be wrong) Are we digging a hole?(It could be wrong, could be wrong) This is out of
control
(It could be wrong, could be wrong) It could never last
(It could be wrong, could be wrong) Must erase it fast
(It could be wrong, could be wrong) But it could have been right
(It could be wrong, could be...)
Love is our resistance
They'll keep us apart and they won't stop breaking us down
Hold me
Our lips must always be sealedThe night has reached its end
We can't pretend
We must run
We must run
It's time to run
Take us away from here
Protect us from further harm
