

# Color Bars

**Elliott Smith**

I see color bars when I come  
Sergeant Rock broke the key off in the lock  
To where I come from  
Sir, no sir We have no power in the air  
The battle's on the ground  
Laying low again  
High on the sound Bruno S. is a man to me  
You're just some dude with a stilted attitude  
That you learned from TV  
You'll undo But I'll be connecting everything  
The traffic in my town  
Riding high again  
High on the sound Everyone wants me to ride into the sun  
But I ain't gonna go down  
Laying low again  
High on the sound
