K Camp

I like smoking weed, I like getting fly
I like having sex, I like girls who ride
I like my cup full, I like turning up
I like brand new shit so this is what I love to do
I like that money baby, (money baby money baby)
I like that money baby, (money baby money baby)
I like that money baby, (money baby money baby)
That's that shit I like (Oh, oh)I like taking niggas hoes but I stopped doing that
Once I hit her with that dick she don't know how to act
Blowing up a niggas phone can you please fall back
Aye lil' ho leave me alone I ain't got time for that

And a rider that's gon' hold me down no matter what (Stay down)

And she on them drugs so yeah you know she down to fuck
It's going down, it's going down, it's going down, lil' bitch

And you ain't with my crew if you ain't tryna get rich (Gotta run that up)
