# Sexy Sadie

## Paul Weller

Sexy Sadie, I don't mean to be rude, oh, no
Sexy Sadie, I'm just in the mood, oh yeahI'm gonna be bad man, don't you boom boom tonight
I'm gonna be bad man, don't you boom boom tonight
I'm gonna be bad man, don't you boom boom tonight
I'm gonna beat it, beat it, beat it, beat itSexy Sadie, I don't mean to be cruel, oh no
Sexy Sadie, you can call me your fool, oh yeahI'm gonna be bad man, don't you boom boom tonight
I'm gonna be bad man, don't you boom boom tonight
I'm gonna be bad man, don't you boom boom tonight
I'm gonna break it, break it, break it, break itYou said to touch your yam, your pumpkin and potato
Touch you okra but leave you tomato
Sexy Sadie, how you looking so cool, oh yeah
Sexy Sadie, you can call me your fool, oh yeahI'm gonna be bad man, don't you boom boom tonight
I'm gonna be bad man, don't you boom boom tonight
I'm gonna be bad man, don't you boom boom tonightI'm gonna beat it, beat it, beat it, beat it
(Be bad man, don't you boom boom tonight)
I'm gonna break it, break it, break it, break it
(Be bad man, don't you boom boom tonight)
