## Tech N9ne

Stamina  
Ill be damn  
If Ill ever be  
Took away by the demons Ill never be, whats the weather  
When I bust a rhythm I come  
With the heater cleverly  
Nigga, nothin will never be So killa, flowzilla, gorilla  
If flow was a felony Id be  
In a line hella doing time  
For the T E C H N 9 N E
