The Fever (acoustic)

The Academy Is...

Lies are lies in everybody's eyes
And I don't believe you
When the summer is gone
It won't be long
'Til someone's got the fever creeping inside
When the city is moving
And your eyes, they are a-moving
And you just can't fight that feeling
But you said it's the last time
Lies are lies in everybody's eyes
And I don't believe you
Lies are lies in everybody's eyes
And I don't believe you
Lies are lies in everybody's eyes
And lies are lies
I can't fight it, no, I just can't fight it
Can't fight it, no, I just can't fight it, now
When the summer is gone
It won't be long until someone's
Got the fever creeping inside
When the city is moving and your eyes
They are a moving and you just can't stop
You just can't fight it, ya
This is the last time
Lies are lies in everybody's eyes
And I don't believe you
Lies are lies in everybody's eyes
And I don't believe you
Lies are lies in everybody's eyes
Lies are lies
Can't fight it, no, I just can't fight it
Can't fight it, no, I just can't

Well, we all agree that we don't believe
This is the last time
This is the last time
Well, they promised you
Now you see the truth
This is the last time

This is the last time
This is the last time
This is the last time
And everyone's got the fever
(Lies are lies, lies are lies, lies are lies)
Lies are lies
(Lies are lies, lies are lies)
Lies are lies in everybody's eyes
Lies are lies in everybody's eyes
And I don't believe you
Lies are lies in everybody's eyes
And I don't believe you
Lies are lies in everybody's eyes
Lies are lies
Can't fight it, no, I just can't fight it
Can't fight it, no, I just can't
Well we all agree that we don't believe
This is the last time
This is the last time
Well, they promised you
Now you see the truth
This is the last time
(Times five)
When the summer is gone
It won't be long until someone's
Got the fever
