Do the Funky Penguin

Rufus Thomas

Hey everybody, Mister Rufus is back
I've another dance I know you're gonna like
You can't do the penguin, unless you shuffle your feet
When you do the funky penguin, I know it's all realDo the funky penguin
Do it right now
Do the funky penguin
Do it right nowDo in the United States
Way over in England
Want you to know what I'm talking about
I'm talking about funky penguinDo the funky penguin
Do it right now
Do the funky penguin
Do it right nowListen
Shuffle to the left, shuffle to the right
Get's so good to you, baby, you can do it all night
Everybody doing it, it's all over town
You can't mess around, got to get on downDo the funky penguin
Do it right now
Do the funky penguin
Do it right nowCome on join your feet, kick off your shoes
Let it all hang out, ain't got nothing to lose
Do it with your partner, do it by yourself
You don't hurry up and get it, you're gonna get leftDo the funky penguin
Do it right now
Do the funky penguin
Do it right nowDo the funky penguin
Make it funky now
Do the funky penguin
Make it funky nowDid you heard me?
Did you heard me?
Did you heard me?
Did you heard me?Want to do the funky penguin
Do it right now
Do the funky penguin
Do it right nowEverybody doing it
Everybody doing itOh ho, do the funky penguin
Oh ho, do the funky penguin
Come on in
