

Fall In Love With Me

Iggy Pop

You look so good to me
Here in this old saloon
Way back in West Berlin
A bottle of white wine White wine and you
A table made of wood
And how I wish you would
Fall in love with me You look so good to me
Standing out in the street
With your cheap fur on
Or maybe your plastic raincoat And your plastic shoes
They look good too
Standing in the snow
You're younger than you look Fall in love with me
Fall in love with me
How I wish you would
A table made of wood And a, a bottle of white wine
And you and a bottle of white wine and you
And when you're standing in the street and it's cold
And it snows on you
And you look younger than you really are I wish you would
Fall in love with me
I wish you would
Fall in love with me I wish you would
Fall in love with me
I wish you would
Fall in love with me yeah, yeah The way your eyes are black
The way your hair is black
The way your heart is young
There's just a few like you Just the kind I need
To fall in love with me
Oh, and you look so good
Oh, yes, you look so good A bottle of white wine
A cigarette and you
Here in this saloon
White wine and you I wish you'd fall in love with me
I wish you'd fall in love with me
'Cause there's just a few like you
So young and real There's just a few like you
So young and real Fall in love with me

Fall in love with me
Fall in love with me
Fall in love with me
I wish you would You look so good Oh, when you're young at heart
There's just a few like you
You're young at heart Won't you
Come to this old saloon?
Come to my waiting arms
A table made of wood And I will look at you
'Cause you're so young and pure
And you're young at heart
You're young at heart
A bottle of white wine And when you're tumbling down
You just look better
When you're tumbling down
You just look finer
