Oh it's alright  
Everybody is gotta get some lose some time  
If you are up tight,  
It's alright  
It's alrightIt's OK  
Save the trouble for another day  
Put a big old smile back on your face  
Looks to me like it's gonna be  
A-ok  
A-ok  
A-okLet me raise a toast  
For all of those who are feeling just like me  
Keep your head out the covers  
There is a hell lot of others  
Who are tired to lose and sleep  
? worries that hold you down  
Cause it's good for the soul ã!Oh it's alright

If you are up tight  
It's alright  
It's alrightIt's OK  
Save the trouble for another day  
Put a big old smile back on your face  
Looks to me like it's gonna be  
A-ok

Like a rocket through the sky  
If it feels good  
That's good  
You don't need another reason why  
You can lay there like a book on the shelf
