Jungle - Remix

X Ambassadors

Yeah, yeah, yeahWell it's too long living in the same old lives (yeah)
I feel too cold to live, too young to die (yeah)
Will you walk the line, like it's there to choose? (Yeah)
Just forget (oh Lord) the wit, it's the best to use(Oh Lord, said oh Lord, I said oh Lord)Won't you follow me into the jungle (yeah)
Ain't no god on my streets in the heart of the jungle (oh Lord child)
Won't you follow me into the jungle (oh Lord)
Ain't no god on my streets in the heart of the jungle (oh Lord child)
Won't you follow me into the jungleI lost my mind, in the city of lights (yeah)
In the backstreets buildings and the neon lights (yeah)
When I heard the thunder, I could feel the rain (yeah)
It's the same to me, just a different name(Oh Lord, said oh Lord, I said oh Lord)Won't you follow me into the jungle (yeah)
Ain't no god on my streets in the heart of the jungle (oh Lord child)
Won't you follow me into the jungle (yeah)
Ain't no god on my streets in the heart of the jungle (oh Lord child)
Won't you follow me into the jungle(Oh Lord, oh Lord, oh Lord, said oh Lord, I said oh Lord)Won't you follow me into the jungle (yeah)
Ain't no god on my streets in the heart of the jungle (oh Lord child)
Won't you follow me into the jungle (yeah)
Ain't no god on my streets in the heart of the jungle (oh Lord child)
Won't you follow me into the jungle
