Learn To Fly

Twinemen

When you feel the dream is over, feel the world is on your shoulders
And you've lost the strength to carry on
Even though the walls may crumble
And you find you always stumble through
Remember never to surrender to the dark 'cause if you turn another page
You will see that's not the way, the story has to end
If you need to find a way back, feel you're on the wrong track
Give it time, learn to fly
Tomorrow is a new day, you'll find you're own way
You'll be stronger with each day that you cry, then you'll learn to fly
In you're head so many questions, the truth is your possession
The answer lies within your heart, you'll see the doors are open
If you only dare to hope
And you will find the way to fight the fears that kept you down
'Cause if you turn another page, you will see that's not the way
The story has to end
If you need to find a way back, feel you're on the wrong track
Give it time, learn to fly
Tomorrow is a new day, you'll find you're own way
You'll be stronger with each day that you cry, then you'll learn to fly
Looking at your situation, there is so much that you can do
Now is the time to make your stand, this is just an observation
In the end it's up to you, the future's in your hands
If you need to find a way back, feel you're on the wrong track
Give it time, learn to fly
Tomorrow is a new day, you'll find you're own way
You'll be stronger with each day that you cry, then you'll learn to fly
Then you'll learn to fly
