

King of Spain

Midnight to Twelve

The only way I sleep at night
Gotta tell myself I'm in the fight
Conversations all sound...the same

Forty minutes on ten and I
Get to do it all again tonight
Sometimes I forget what I got

But don't you make me something I'm not
Or just who you need me to be
Cause I'm not the...

I'm not the King of Spain
So why can't I get there
How did I get here
I'm not the King of Spain

I don't confuse who I am inside
Different on the stage and under lights
So don't you dare...get it twisted

I need you more than you need me
It's not the same when it's empty
So now you know it takes two to tango

But don't you make me something I'm not
Or just who you need me to be
Cause I'm not the...

I'm not the King of Spain
So why can't I get there
How did I get here
I'm not the King of Spain
Don't you make me something I'm not
Or just who you need me to be

All that I can say it's been a mighty long time
All that I can do keeps me running back to you

I'm not the King of Spain

So why can't I get there
How did I get here
I'm not the King of Spain
Don't you make me something I'm not

I'm not the king, so don't kiss the ring
I'm not the king and you're not the king and they're not the king

I'm not the King of Spain
Don't you make me something I'm not
Or just who you need me to be
