Pour Me More

Connie Lim

VERSE ONE
there she is running faster than the quickest picking pedals as she
There he is living steady and so ready building houses with thefeels his mys te - ry
hands she was made to holdPRE CHORUS
We didnt do what were told, didnt know that I could hold different lives that we seek with blurry
eyes this glass of hopeCHORUSPour me more than you have sworn, I need you to
Pour me more than you have stored, I dont need you to
be a little braver than me but dont
mean that much to meVERSE TWO
Here we are casting kites with silver lining we dont have to keep the
You can go your direction Ill go solo if they ask us why were
Binding let it go
so slow.. its cause were freeCHORUS
Pour me more than you have sworn, I need you to
Pour me more than you have stored, I dont need you to
be a little braver than me but dont
mean that much to meBRIDGE/PRECHORUS
We didnt do what were told, didnt know that I could hold different lives that we seek with blurry
eyes this glass of hopeCHORUS
Pour me more than you have sworn, I need you to
Pour me more than you have stored, I dont need you to
be a little braver than me but dont
mean that much to me
