

# Love Me or Leave Me

[Peggy Lee](#)

Love me or leave me and let me be lonely  
You won't believe me that I love you only  
I'd rather be lonely than happy with somebody else You might find the night time the right time for kissing  
But night time is my time for just reminiscing  
Regretting instead of forgetting with somebody else  
There'll be no else unless that someone is you, you, you I intend to be independently blue  
I want your love but I don't want to borrow  
I have it today and give back tomorrow  
For my love is your love but there's no love for nobody else
