

Tears Fall (Vile Kings Remix)

Jacquie Lee

Tears fall, and I know that this pain
Is just a part of life
Tears fall, and I know that this pain
Is just a part of lifeI've had enough of your hidin' us,
How it would be you don't see
Your true colors showed up a little brighter,
Why'd you keep on playing me?!
I pull my hands back on the throttle my love
'Cause I've felt you're driving me into a deep darkness,
Into the darkness.And I don't let you see me cry,
Didn't ask why, just told you that you're leaving tonight
This is our goodbye!Tears fall, and I know that this pain
Is just a part of life
Tears fall, and I know that this pain
Is just a part of lifeI can take a deep breath now that you have left,
You didn't get the best of me,
The raw pain it never goes away
But it gets better everyday!
I was so wrapped up, I was blinded by love
Couldn't see a way to leave
But I am coming out of the darkness,
Out of the darkness.And I don't let you see me cry,
I don't ask why, why you're not here with me tonight
Already said goodbye!Tears fall, and I know that this pain
Is just a part of life
Tears fall, and I know that this pain
Is just a part of lifeI watched you leave, couldn't breathe couldn't cry
Felt like I was dying
Than I let a tear fall, let myself feel it all
Now I know, now I know that I'm gonna survive
If I let a single tear fall, drown myself in it allTears fall, and I know that this pain
Is just a part of life
Tears fall, and I know that this pain
Is just a part of lifeTears fall, and I know that this pain
Is just a part of life
Tears fall, and I know that this pain
Is just a part of life
