Truth Hides

Asian Dub Foundation

Truth hides under fallen rocks and stones
At the end of a disconnected phone
(That's where the truth hides)Truth hides buried deep beneath your feet
At the end of an unmarked street
(That's where the truth hides)Truth hides with the people written out of history
Black leaders and inventors whose names remain a mystery
Great women recorded on ripped out pages
Obliterated wisdom, covered up facesTruth is lost in the mists of empty vision
And found in the notebooks of those wrongfully imprisoned
And in the evidence that was never brought to trial
But not in the void behind the newsreaders' smileTruth hides under fallen rocks and stones
At the end of a disconnected phone
(That's where the truth hides)Truth hides at the end of an unmarked street
Stored [unverified] deep beneath your feet
(That's where the truth hides)Truth it's a hide under rocks and stones
At the end of your line
Down an unmarked street
Truth it's a hide under rocks and stones
At the end of your lineTruth it's a hide under rocks and stones
At the end of your line
Down an unmarked street
Truth it's a hide under rocks and stones
At the end of your lineTruth hides whenever we lose our focus
Slips out the back, quickly replaced by the bogus
Fleeing sound bites disguised as facts
That reappear in the small print on every contractTruth hides on the other side of a two-way mirror
In countless documents sent straight to the shredder
That might finally give us the whole of the picture
But until the day we decide to dig a little deeperWe know that truth will hide
Under fallen rocks and stones
At the end of a disconnected phone
Down an unmarked street
And buried deep beneath your feetTruth it's a hide under rocks and stones
At the end of your line
Down an unmarked street
Truth it's a hide under rocks and stones
At the end of your lineTruth it's a hide under rocks and stones
At the end of your line
Down an unmarked street

Truth it's a hide under rocks and stones
At the end of your lineTruth it's a hide under rocks and stones
At the end of your line
Down an unmarked street
Truth it's a hide under rocks and stones
At the end of your lineTruth it's a hide under rocks and stones
At the end of your line
Down an unmarked street
Truth it's a hide under rocks and stones
At the end of your lineTruth it's a hide under rocks and stones
At the end of your line
Down an unmarked street
Truth it's a hide under rocks and stones
At the end of your line
