Confessions

Possessed

Lyrics : JB Music : MT
Crimes of passion
ruled his mind
the anger inside
compassion he will
Never find
The Pain and Pleasure
of the blade
And he loved
The screams she made
Forgive me father
For I have sinned
Because the anger
Burned within
Unfaithful
He saw it in her eyes
They wouldn't hide
Betrayal and her Wicked
Lies
Confessions
From a dying man
Listen now
And understand
Shadows
In the Night
Pain
that summons fright
He looked
Into her eyes
And Tells her
Tonight she dies
But to you
I must confess
That when she died
she was the best
