Hey! Sometimes!

The Orchids

Hey is there is there something wrong
Hey did I get it wrongWith a monkey on my back
I didn't mean to make you sad
Would you listen to yourself
Didn't mean to get so mad
And I only look straight back
I'm a danger to myselfBut hey what's going on
Hey is there something wrong
Sometimes, sometimes, sometimes
I just get it wrong
And I don't want to be that way
I don't want to be that way
I don't want to be that way
SometimesHey what's going on
Hey is there something wrongWith that look upon your face
It puts me back into my place
It's amazing to complain
And I'll promise once again
You will always be my friend
I'm a danger to myselfOh hey what's going on
Sometimes, sometimes, sometimes
I just get it wrong
And I don't want to be that man
I don't want to be that man
I don't want to be that man
Sometimes
SometimesHeyyyyy
