

Bones

Ms Mr

Dig up her bones, but leave her soul alone
Boy with a broken soul
heart with a gaping hole
Dark twisted fantasy turned to reality
Kissing death and losing my breathMidnight hours
Cobble street passages
Forgotten savages, Forgotten savagesDig up her bones, but leave her soul alone
Let her find a way to a better place
Broken dreams and silent screams
Empty churches with soulless curses
We found a way to escape the dayDig up her bones, but leave her soul alone
Lost in the pages of self made cages
Life slips away and the ghost come to playThese are hard times
These are hard times
For dreamersAnd love-lost believersDig up her bones, but leave her soul alone
Let her find a way to a better place
Broken dreams and silent screams
Empty churches with soulless curses
We found a way to escape the dayCandy bar creep show
My highs hit a new low
Marinate in misery
Like a girl of only seventeen
Man made madness,
and the romance of sadness
Beautiful dance, that happened by chance
happened by chance x2Dig up her bones, but leave her soul alone
Let her x4
find her way back home
Broken dreams and silent screams
Empty churches with soulless curses
We found x3
a way, to escape the day
