

While I Play

Bee Gees

I cry tears of emotion to spread across the USA
Ain't no sunshine cowboy in your pockets
I'll make my own way
While I playBaby you forgot your living
Someone covered up your eyes
In my way at least I'm giving, what I love
Am I wiseThere's gonna be some confusion
And there's gonna be a day
You'll raise your eyes and you'll look to the skies
And you'll pray, while I playI am my father's son, or that is what I heard
Maybe I got it wrong
I didn't mean a word
You got my face and I'll play your acePretend I haven't heard
There's gonna be some confusion
And there's gonna be a day
You'll raise your eyes and you'll look to the skies
And you'll pray, while I playI am a minstrel, that, is all I want to be
I'll play inside your soul
I'll show you to yourself
Fill your head with wild emotions
A symphony in wealthThere's gonna be some confusion
And there's gonna be a day
You'll raise your eyes and you'll look to the skies
And you'll pray , while I playI will take my leave , I gotta move on time
I played inside your soul, made you sing along
I will return to find out if the melody was wrongThere's gonna be some confusion
And there's gonna be a day
You'll raise your eyes and you'll look to the skies
And you'll pray, while I play
