Bye Bye Beautiful (Instrumental)

Nightwish

Finally the hills are without eyes
They are tired of painting a dead man`s face red
With their own bloodThey used to love having so much to lose
Blink your eyes just once and see everything in ruinsDid you ever hear what I told you
Did you ever read what I wrote you
Did you ever listen to what we played
Did you ever let in what the world said
Did we get this far just to feel your hate
Did we play to become only pawns in the game
How blind can you be, don`t you see
You chose the long road but we`ll be waitingBye bye beautifulJacob`s ghost for the girl in white
Blindfold for the blind
Dead siblings walking the dying earth
Noose around a choking heart
Eternity torn apart
Slow toll now the funeral bellsI need to die to feel alive?Did you ever hear what I told you
Did you ever read what I wrote you
Did you ever listen to what we played
Did you ever let in what the world said
Did we get this far just to feel your hate
Did we play to become only pawns in the game
How blind can you be, don`t you see
You chose the long road but we`ll be waitingBye bye beautifulIt`s not the tree that forsakes the flower
But the flower that forsakes the tree
Someday I`ll learn to love these scars
Still fresh from the red-hot blade of your wordsHow blind can you be, don`t you see
That the gambler lost all he does not haveDid you ever hear what I told you
Did you ever read what I wrote you
Did you ever listen to what we played
Did you ever let in what the world said
Did we get this far just to feel your hate
Did we play to become only pawns in the game
How blind can you be, don`t you see
You chose the long road but we`ll be waitingBye bye beautiful
