Built To Kill

Cliteater

[Chorus]
No remorse
No regrets
No feeling
Built to killOstrcize consciousness to another dimension
Bloodred let the path be one should leadWrite-off blunt weakness
Smiling at the caused mayhem
Dog eat dog[Repeat chorus]Slain shall be the ones who defy
Slaughter the ones who deny
The philosophy of total fuckin' destruction of man
And it's pathetic attempts to everrule all[Repeat chorus]Misanthrope, I, built to kill
Misanthrope, you, built to kill
Misanthrope, them, built to kill
Misanthrope, us, built to kill
