

God Is Love

Marvin Gaye

Oh don't go and say things about my father
God is my friend (I love Him)
He made this world for us to live in, he gave us everything
And all he asks of us is we give each other love
Oh ya
Don't go and talk about my father
God is my friend
He loves us whether or not we know it
And He'll forgive all our sins
And all He asks of us, is we give each other love Love your mother, she bore you
Love your father, he works for you
Love your sister, she's good to you
Love your brother, your brother
Love your mother, your brother
Don't go and talk about my father
God is my friend
For when we call in Him for mercy
He'll be merciful, my friend
Oh, yes He will
All he asks of us, is we give each other love
Don't go and talk about my father
God is my friend
Well I know He is your friend
Jesus is my friend
And I know He is wonderful He makes the wind to blow
He makes it rain
He makes the snow flakes
Oh yes, I know there is a God
So don't deny
