

# Dream

## Hannah Montana

DREAM Do me a favor  
And tell me what you think about me  
Tell me how you want this to be  
Go out on a limb and just dream Paint a picture  
Choose your colors extra wise  
Especially what you put on my mind  
Imagine what it'd be like to touch the sky, yeah, yeah Whoa oh, your thoughts are gonna pick me up  
Do you know its good to feel so much Whoa, you got my head in the clouds  
Whoa, you got me thinking out loud  
The more you dream about me the more that I believe  
That nothings evers out of reach  
So dream, dream, dream I breathe your visions  
They pull me through the coldest of night  
They steer me towards that moment in time  
When you show what it means for you to be mine, yeah Whoa, oh, you're giving me the will to try  
Do you know that there's happy in these eyes Whoa, you got my heads in the clouds  
Whoa, you got me thinking out loud  
The more you dream about me the more that I believe  
That nothings evers out of reach  
So, dream dream dream It's like my birthday,  
Every time you look at me  
It's like the best thing  
Every time that you dream, yeah, yeah, yeah Whoa, your thoughts are gonna pick me up  
Do you know that its good to feel too much Whoa, you got my heads in the clouds  
Whoa, you got me thinking out loud  
The more you dream about me the more that I believe  
That nothings evers out of reach  
So, dream dream The more you think about me the more I believe  
That nothings ever out of reach  
So, dream, dream, dream
