

You Did It All Before

[Milla Jovovich](#)

No I haven't seen the flowers yet
From the broken seeds I'd planted
But the ground is still too red
From the wickedness you did Could you break my heart?
It's so easy you know
You did it all before
You know, you did it all before Can you feel it?
Can you feel this moment?
If you could be me
The said would be left unsaid Just refuse my heart
Don't abuse my heart
You did it all before
You know, you did it all before Your pocket of schemes
Has split at the seams
I don't need to argue anymore
You're left exposed
Wearing yesterday's clothes
Now you've undone the
Stitches we've sewn Just refuse my heart
Don't abuse my heart
You did it all before
You know, you did it all before Your pocket of schemes
Has split at the seams
I don't need to argue anymore
You're left exposed
Wearing yesterday's clothes
Now you've undone the
Stitches we've sewn
