Arcadia

Dirty Mittens

Light up, spark the detonatorNow I'm homeward bound, way to see you laterIf you make that step you're the instigatorGot my mind made up, I'll be your navigatorIf you want me to travel over moonlit milesFor a precious smileFollowing my lonely heartCall on me, take me...Far over the seasI return in my dreamsSailing home under the starsTo be safe in your armsEver near, travel through timeEver close in my mindSay you will truly be mineSay you'll always be mineWe are a winning combinationWe're two stars aligned in a constellationWhen I get too low you're my inspirationNever let me down, you're a revelationOne that comes along once in a lifetimeOh I realiseYou give me love free and wildOh my child, lead me...Far over the seasI return in my dreamsSailing home under the starsTo be safe in your armsEver near, travel through timeEver close in my mindSay you will truly be mineSay you'll always be mineOur empire stretches from the desertsTo the ice fieldsLove and courage can take us anywhereWe dare to goFar over the seasI return in my dreamsSailing home under the starsTo be safe in your armsEver near, travel through timeEver close in my mindSay you will truly be mineSay you'll always be mine
