

You Can Really Do it (If You Try)

Rick Springfield

You Can Really Do It if you try
You Can Really Do It if you try
You Can Really Do It if you try
If you'll just let your mind take over
I, I, I believe in you, you know there's nothing you can't do
Sun, sun, sun will shine on, shine on through
The moment that you realize it's true, Oh yes it is
You Can Really Do It if you try
You Can Really Do It if you try
You Can Really Do It if you try
If you'll just let your mind take over
Dream, dream, dream, no time to dream away
Cause you've got better things to do
High, high time to get yourself together
"cause I know you can make it, if you try, oh yes you can
You Can Really Do It if you try
You Can Really Do It if you try
You Can Really Do It if you try
If you'll just let your mind take over
High, high time to get yourself together
"cause I know you can make it if you try, oh yes you can
You Can Really Do It if you try
You Can Really Do It if you try
You Can Really Do It if you try
You Can Really Do It if you try
You Can Really Do It if you try
You Can Really Do It if you try
If you'll just let your mind take over
