

Don't Let The Sun Catch You Crying

Robben Ford & The Blue Line

Don't let the sun catch you crying,

 crying at my front door

 You done your daddy dirty

and he don't want you around here no more

Don't let the sun catch you crying,

 lying at my back door

 You done your daddy dirty

and he don't want you around here no more

You can cry, cry, cry

 Yes, and baby, you can wail

 Beat your head on the pavement

 Hey, till the man come,

 land you in jail

Don't let the sun catch you crying,

 lying at my back door

 You done your daddy dirty

and he don't want you around here no more

 You can cry, cry, cry

 Yes, and baby, you can wail

 Beat your head on the pavement

 Hey, till the man come,

 land you in jail
