

Famous One

Sonicflood

You are the Lord, the famous One, famous One
Great is Your name in all the earth
The Heaven's declare, You're glorious, glorious
Great is Your fame beyond the earth And for all You've done and yet to do
With every breath, I'm praising You
Desire of nations and every heart
You alone are God, You alone are God You are the Lord, the famous One, famous One
Great is Your name in all the earth
The Heaven's declare, You're glorious, glorious
Great is Your fame beyond the earth The morning star is shining through
And every eye is watching You
Revealed by nature and miracles
You are beautiful, You are beautiful The morning star is shining through
And every eye is watching You
Revealed by nature and miracles
You are beautiful, You are beautiful You are the Lord, the famous One, famous One
Great is Your name in all the earth
The Heaven's declare, You're glorious, glorious
Great is Your fame beyond the earth
Great is Your fame You are the Lord, the famous One, famous One
Great is Your name in all the earth
The Heaven's declare, You're glorious, glorious
Great is Your fame beyond the earth You are the Lord, the famous One, the famous One
