

# Mars Needs Women (Without Intro)

## Rob Zombie

Mars needs women  
Angry red women  
Mars needs women  
Angry red women Can you hear it calling?  
Highjack what you're wanting  
A sweet ride baby  
With a broken face  
Stop, look, dig it  
If she wanna get it  
Stop, look, dig it  
All she can destroy Mars needs women  
Angry red women  
Mars needs women  
Angry red women  
Mars needs women  
Angry red women  
Mars needs women  
Angry red women Not afraid to use it  
Strip it and abuse it  
A sweet ride baby  
Get me out of this place  
Stop, look, dig it  
If she wanna get it  
Stop, look, dig it  
All she can destroy  
Stop, look, dig it  
If she wanna get it  
Stop, look, dig it  
All she can destroy Mars needs women  
Angry red women  
Mars needs women  
Angry red women  
Mars needs women  
Angry red women  
Mars needs women  
Angry red women New gods a moving  
Miracles a losing  
A cash in baby  
Just give it a taste

Stop, look, dig it  
If she wanna get it  
Stop, look, dig it  
All she can destroy  
Stop, look, dig it  
If she wanna get it  
Stop, look, dig it  
All she can destroy  
Mars needs women  
Angry red women  
Mars needs women  
Fuck in outer space  
Mars needs women  
Angry red women  
Mars needs women  
Fuck in outer space
