Good Lovin'

Sweet California

Yeeeahh...ow! Let's get the room buzzin', let's make it hot
We get the party rockin' whether you like it or not
Let's get the room buzzin', let's make it hot
We get the party rockin' weather you...
1, 2, 3, 4!Feel like I got roadrage
Locked in a bridcage
Late-night butterflies
Spotlight, stage-fright
Can't seem to get a break
Trynna find a better way
Worst-case scenario
Here we go again, go
Do-do-yeah-yeah-yeah
Ooohh oohh oohh
Standing on a center-stage
Burnin' like a fireplace
Hot to trot, don't stop
If he can't see your face
Screamin' like you outta place
Lost like you in a maze
Get-get on the night train
Hurry up and up againOoh, cuz your love, your love
Is all that I need
Yeah, it's pullin' me in
When you come, I come
Got me gaspin' for air
When you're touchin' me centre
You gimme good-good lovin'
Kisses sweeter than honey
Can't you see what you're doin' to me, now boy?
It's your love, it's your love
It's your lo-lo-lo-lo-lo-lo-lo-lo-looooovePull me like a quarter-back
Take me to your love-shack
Get my pump a-workin'
Like I think I got a heart attack
Move your hands upon my thighs
Kiss me in the twilightCan't stop, won't stop
Baby do me right
Yeah, uh-huh, so do me riiiiightOoh, cuz your love, your love

Is all that I need
Yeah, it's pullin' me in
When you come, I come
Got me gaspin' for air

Kisses sweeter than honey
