

# Gangsta Love

Bobby Valentino

Check this out When she come and pick me up we just be cruisin', cruisin'  
Riding down p street with the music up loud  
System in the back in the lap  
Oh yeah she get down like that But from her head down to her toes she's a lady, lady  
She always got my back she never shady, shady  
She steadily on the grind but I'm always on her mind  
And she's on mine She got that gangsta love, I can't get a enough  
When she pick me up she be swervin' rollin'  
In a clean old school on them 22's  
Why that's with the drop top you know how she do She got that gangsta love, I can't get enough  
When we hit the club she be spendin' dubs sho'nuff  
Just like one of my homies she's my one and only  
Ghetto gangsta queen you know how she do When we hit the club you know we poppin' bottles, bottles  
She standin' next to me lookin' like a model, model  
Leave dem check, air force ones lookin' fresh  
And all the fellas are checkin' her out But some of y'all fellas stop acting like you can't relate, relate  
Cause I've been looking for a girl like her for so long  
She don't be buggin' me, got her own money  
Thats the type of girl that you need, oh yeah She got that gangsta love, I can't get a enough  
When she pick me up she be swervin' rollin'  
In a clean old school on them 22's  
Why that's with the drop top you know how she do She got that gangsta love, I can't get enough  
When we hit the club she be spendin' dubs sho'nuff  
Just like one of my homies she's my one and only  
Ghetto gangsta queen you know how she do She got that gangsta love, I can't get a enough  
When she pick me up she be swervin' rollin'  
In a clean old school on them 22's  
Why that's with the drop top you know how she do She got that gangsta love, I can't get enough  
When we hit the club she be spendin' dubs sho'nuff  
Just like one of my homies she's my one and only  
Ghetto gangsta queen you know how she do Now let me take this time just to tell you
