

Leviathan

Venom

In distant darkened lands
Life and death defy the sands
Time's running out for you
The cry was heard All hallowed be thy shame
Delivered unto evil
Temptation be thy name
Behold thy fallen angels Prophecies of ancient times
Unborn wisdom the cries
Of infants new born eyes
Shall lead the blind The serpent crucify
The man and take his eyes
Brings darkness to the light
And let him die Forgive us not our sins
The power and the glory
All hail the demon king
And man shall kneel before him His name, Leviathan
Kneel, Leviathan Leviathan
