

Lonely Little Girl

Frank Zappa

Frank zappa (guitar, piano, lead vocals)

Billy mundi (drums, vocals, yak)

Bunk gardner (woodwinds)

Roy estrada (electric bass, vocals)

Don preston (retired)

Jimmy carl black (drums, trumpet, vocals)

Ian underwood (piano, woodwinds)

Motorhead sherwood (soprano, baritone saxophone)

Suzy creamcheese (telephone)

Dick barber (snorks) Right now I have two hit-records on the charts

But that has not made me any money

It is so ... boy, and a lot of work

Which I do, I mean, I'm carryin' it out...

You're a lonely little girl

But your mommy & your daddy don't

Care

You're a lonely little girl

The things they say

Just hurt your heart

It's too late now

For them to start

To understand

The way you feel

The world for them

Is too unreal

So you're lonely, lonely, lonely,

Lonely little girl All your children are poor unfortunate victims

Of systems beyond their control...

Where did annie go when she went to town?

Who are all those creeps that she brings around?

All your children are poor unfortunate victims

Of lies you believe...

Where did annie go when she went to town...
