Rock Paper Scissors

Sweet Soubrette

you don't, you don't notice that im here
you don't, you don't seem to care that you play with my heart,
take me for granted, leave me in the dark, no no
and i'm not, and i'm not, even thinking clear
today i smile next day full of tears
losing my mind i don't even know
if you're wasting my time, no no
chorus :
are you gonna crush my heart cover me
cut me off, make your decision
boy, crush my heart cover me
cut me off, make your decision
rock, paper, scissors
will it be rock, paper, scissors
i don't know what your feeling
will it be rock, paper, scissors
yeah yeah
wish i, wish i, have the common sense
to know better and just walk away
easier said, harder to do when i still think there's hope
for me and you
always hurts to never be put first
if i'm last on your list really whats the worth
keep me in fear asking you questions i don't wanna hear the answers to

chorus:
are you gonna crush my heart, cover me
cut me off, make your decision
boy, crush my heart, cover me
cut me off, make your decision
rock, paper, scissors
will it be rock, paper, scissors
i don't know what your feeling
will it be rock, paper, scissors
yeah yeah
someone should have told me i can't compete
with someone who is impossible to beat (i just don't get it)
makes my heart beat but he's killing me, are the odds in my favor don't know
rock, paper, scissors

will it be rock, paper, scissors
i don't know what your feeling
will it be rock, paper, scissors
yeah yeah, yeahhh
rock, paper, scissors
will it be rock, paper, scissors
i don't know what your feeling
will it be rock, paper, scissors
yeah yeah, yeahhh
