

# Half Life

Duncan Sheik

I'm awake in the afternoon  
I fell asleep in the living room  
And it's one of those moments  
When everything is so clear Before the truth goes back into hiding  
I want to decide 'cause it's worth deciding  
To work on finding something more than this fear It takes so much out of me to pretend  
Tell me now, tell me how to make amends Maybe, I need to see the daylight  
To leave behind the half-life  
Don't you see I'm breaking down Lately, something here don't feel right  
This is just a half-life  
Is there really no escape?  
No escape from time  
Of any kind I keep trying to understand  
This thing and that thing, my fellow man  
I guess I'll let you know  
When I figure it out But I don't mind a few mysteries  
They can stay that way it's fine by me  
But you are another mystery I am missing It takes so much out of me to pretend Maybe, I need to see the daylight  
To leave behind the half-life  
Don't you see I'm breaking down Lately, something here don't feel right  
This is just a half-life  
Is there really no escape?  
No escape from time  
Of any kind C'mon lets fall in love  
C'mon lets fall in love  
C'mon lets fall in love  
Again 'cause lately something here don't feel right  
This is just a half-life,  
Without you I am breaking down Wake me, I wanna see the daylight  
Save me from this half-life  
Let's you and I escape  
Escape from time C'mon lets fall in love  
C'mon lets fall in love  
C'mon on lets fall in love  
Again
