

I'm the Cat

Jackson Browne

Baby, I'm around you enough to know when you're coming down
And I am there with a smile, prepared to bring you around
You're thinking that you've got me trained
I'm aware of that But when you need your outlook changed
Baby, I'm the cat
Baby, I'm allowed to be late when I'm coming home
You know I'll be there when I want to And you let me roam
You think you've got me figured out
I don't know about that
But when you want to twist and shout Baby, I'm the cat
Baby, I might not be all that
Your fortune cookie promised you
But I will do I'm the cat
Baby I . . . Baby I'm the cat
Oh yeah . . . Baby I'm the cat
Baby, I'm in love with the way you scratch my back You've got the only thing I want
And that's a fact
And when sometimes we disagree
You take me to the mat But when I get you spinning free
Baby I'm the cat
Baby, I might not be all that
The gypsy woman prophesied But be advised
I'm the cat
Baby I might not be all that
Your Magic 8 Ball said I'd be But you will see
I'm the cat
Baby I... Baby I'm the cat
Oh yeah... Baby I'm the cat
